# FRIDAY NIGHT DINNER at R F Burrows & Sons

Let us cook for you!

“To have won the accolade of ‘Best Small Hotel in the World’, we’ve had to choose our suppliers very carefully

Only the highest quality will do and we wouldn’t consider going anywhere other than RF Burrows and Sons for our meat, and Claire’s incredible brownies have become famous at our hotel

Likewise, for personal meals and private evenings, we would never go anywhere other than Claire’s kitchen at RF Burrows. We don’t have much time to make homemade meals from scratch, and the last thing we want is something from a supermarket with e-numbers galore, and mass produced

These meals have given us something to look forward to, and once we’d tried the best, we’ve never gone back

If you haven’t tried these meals, you need to!!”
